

Please do NOT change to low power FM. My family are avid listeners to K-LOVE (94.3FM) in the Chicagoland area. We need positive, encouraging radio!!!! The DJ's use appropriate language, no rude advertisements, and upbeat positive Christian music. Please, for the sake of my kids (ages 12, 10, 7) DO NOT change the broadcasting service!!!! K-LOVE is heard around the country...we need this radio station!!!!!! Thank you, Debra Unti
